Please use the sizing details below as a guide. These measurements are guaranteed.

**How to Correctly Measure for your Uniforms & Equipment**

#0 & #2 Blades are recommended for children ages 10 and Under.  
#5 Blades are standard Adult size and recommended for anyone age 11 and Above.

**How to Correctly Measure for your Uniforms & Equipment**

Starting from underneath the chin, go up to the top of the head, back down the other ear to complete a circle. (Essentially you're measuring the circumference that the mask will be encircling.) Use a string to keep it snug or else you'll wind up with a loose fit.

Also Note: Your masks are adjustable! If you're unsure, please ask your coach or an experienced fencer.

If you measure in at the following you need this size mask:

XS	Small (0)	Medium (1)	Large (2)
Under 21"	21"-23"	24"-25"	26"-28"

**How to Correctly Measure for your Uniforms & Equipment**

Foil lames are usually the same size as your jacket. Add 6" to your chest measurement for an average fit. You may be able to get away with adding 4" for a very snug fit. Sabre lames are usually 2-4" larger than your chest measurement. Add 8" for your chest measurement to get away with a loose fit.

**How to Correctly Measure for your Uniforms & Equipment**

Measure around your palm (excluding your thumb) and add 0.5". The chart below notes the correct size for your hand.

XS	Small (0)	Medium (1)	Large (2)
6½ - 7	7½ - 8	8½ - 9	9½ - 10

**How to Correctly Measure for your Uniforms & Equipment**

To size for knickers, simply take your waist measurement (just above your belly button).
