# Sizing Chart

## SIZING CHART

### JACKET SIZING INFORMATION

1. Take the chest measurement as shown by the graph on the left.
2. Add 6" to the measurement from 1 for cotton based jacket  
or Add 4" for synthetic (nylon/polyester) based stretch fabric

ROUND UP if the resulting greater than 0.5" than the lower mark.

For example, if the resulting measurement is 40.5, choose size 40. If the result is 40.75, round up and choose 42

34" 36"	38"	40" 42"	44"	46"	48"
X-Small	Small	Medium	Large	X-Large	XX-Large

Please note that cotton-based jackets usually shrink on torso and arm length after washing.

The sizing instructions here have already taken shrinkage into consideration.

### PANTS/KNICKERS SIZING INFORMATION

1. Take the waist measurement as shown by the graph on the left.

24" 26"	28"	30" 32"	34"	36"	38" up
X-Small	Small	Medium	Large	X-Large	Over Size

### MASK SIZING INFORMATION

1. Take your face measurement as shown by the graph on the left.
2. Use the following chart to determine your size for the mask:

under 21"	22" 23"	24" 25"	26" - 28"	28" up
X-Small	Small	Medium	Large	X-Large
Child (U-8)	(U12) Woman	Man	Large head	

### GLOVE SIZING INFORMATION

1. Take your palm measurement as shown by the graph on the left.  
Make sure it is the circumference of your hand at the position of the black arrowed line.
2. Add 0.5" to the resulting measurement from 1 for this glove.

7"	7.5" 8"	8.5" 9"	9.5"	10"	10.5" 11"
X-Small	Small	Medium	Large	X-Large	XX-Large

## SHOES SIZING CHART

Your feet size (in length) plus 15--20 mm. Please note fencing shoes are in MEN's size ONLY!

Women size = Men's size -1 (90% accurate).

For example, if you wear women's size 9, size 8 in men's should be good for you.
